Parents' Handbook

2024-2025

Statement of Faith

Jesus-based

"For God so loved the world that he gave his one and only Son, that whoever believes in him shall not perish but have eternal life." - John 3:16

"For by grace you have been saved through faith; and that not of yourselves, it is the gift of God; not as a result of works, so that no one may boast." Ephesians 2:8-9

We believe there is only one way to Heaven and that is through Jesus Christ.

Family-based

"That is why a man leaves his father and mother and is united to his wife, and they become one flesh."

Genesis 2:24

We believe that God created the sanctity of marriage between a man and a woman.

Creation-based

"Thus the heavens and the earth were completed in all their vast array. By the seventh day God had finished the work he had been doing; so on the seventh day he rested from all his work." Genesis 2:1-2

We believe that God created everything in six days and rested on the seventh.

Child-focused

Jesus said, "Let the little children come to me, and do not hinder them, for the kingdom of heaven belongs to such as these." Matthew. 19:14

We want your children to understand that they are each one of God's unique creations. Each child is one-of-a-kind and was placed on this beautiful earth at precisely the right time – chosen by God to fulfill His specific purpose for that child's life.

Mission & Philosophy

Creation-based by using God's creation to grow and nurture young minds in a small-group learning environment.

Family-based by choosing to preserve childhood and foster a love of learning by partnering and equipping parents to give their children the education they want and need.

Christ-based because He is all that matters.

"Love the Lord your God with all your heart and with all your soul and with all your strength."
Deuteronomy 6:5

We believe at the end of our lives that God will care more about how we loved Him and others than at what age we learned to read at a certain grade level or how high we scored on the SAT. However, we are also called to be good stewards of what He has given us, so we believe in developing a child's mind in the way God designed that child to be.

About Us

Happy Hearts Schoolhouse is neither a school nor a co-op. Happy Hearts is a small, faith-based, child-focused, homeschool enrichment program taught by tutors under the umbrella of Alamo Area Christian Educators, Inc., which is a non-profit 501-C3 organization.

Our goal is to partner with parents in the education of their children thereby replacing the parents' feelings of being overwhelmed and frustrated to homeschool on their own with a renewed assurance that they can successfully and happily educate their own children with some additional help from us.

Expectations & Policies

- We love Jesus and will teach about Him in a non-denominational way, which means we stick to what the Bible says and do not push any certain denomination.
- We LOVE God's creation and believe we should take care of it.
- We realize God has created each one of us (including our children) in a special, unique way. None of us are exactly alike, so our mission is to appreciate our children's learning differences, strengths, and weaknesses.
- We believe in open communication and ask that you, the parents, communicate with the instructors or program creator directly and not gossip or use slanderous language if a disagreement should arise. If a miscommunication occurs, which at some point may happen, we will strive to right the miscommunication as soon as possible.
- We trust our instructors' skills and years of experience, which is why our own children are a part of this program; therefore, we will let the instructors have the freedom to teach as they deem necessary.
- We are **not** a school, but we are a **private instructor-share**, which means we have the ability to keep our groups small and teach in a specific and intentional way for each child.
- We **REQUIRE** families to be involved in their children's education. If this involvement is not something your family desires, please reconsider whether this program is an appropriate match for your family's lifestyle. This method will not work if both parents work full-time without other help in the home. This instructor-share teaching time **SHOULD NOT** be expected to replace all the work to be done at home as homework is always provided.
- We are not competing against or comparing your children to broad-based expectations that are set by the public school system. We do believe we will help prepare your children at an appropriate learning rate.
- We want to develop independent, creative, self-disciplined, caring, kind, responsible, and motivated children who are leaders in their generation and not merely followers.
- All children participating in the Happy Hearts Schoolhouse program MUST be potty-trained.
- All children participating in Happy Hearts Schoolhouse and their siblings, parents, and caretakers are asked to respect the property and not be destructive.
- Once-a-month Parental Volunteering may be required for classes that require extra adult supervision or help with setup or cleanup. Sign-ups will be available at the beginning of each month, if needed. A caretaker (over the age of 18) can also fill this requirement if a parent is unavailable.
- One parent or caretaker (over the age of 18) is required to accompany his/her child on any field trips or special outings.
- If anyone other than the parent or legal guardian comes to pick up a child for the parent or legal guardian, he/she **MUST** be named as an alternate pickup on the registration form and will be asked to present a valid driver's license.
- To enroll in Happy Hearts Schoolhouse, there is a non-refundable \$250 registration fee for the year.
- Tuition is due on the 2nd of each month.

- We do not allow students to use smart phones during class days. A student will be asked to give up the phone for the day if a teacher sees anyone on his/her phone. If there is an emergency situation, please let your teacher know.
- A mandatory orientation will be required of ALL parents, regardless of prior enrollment, length of home schooling status, or volunteer position.
- It is the parents' responsibility to inform the tutor/director if the child will be absent.
- It is the parents' responsibility to inform Happy Hearts Schoolhouse of any allergies or conditions that could put their child at risk while attending classes.
- Happy Hearts Schoolhouse is not responsible for students while on the grounds of **Bulverde Baptist Church** (1331 Bulverde Rd., Bulverde, Texas 78163); parents bear the ultimate responsibility for their children and their children's actions. The Palmer, Ras, and McMinn families are not liable for any accidents or mishaps that may occur on the Bulverde Baptist Church's campus. Likewise, Happy Hearts Schoolhouse is not liable for any accidents or mishaps that may occur on the premises. The full Release of Liability is part of the registration form.
- To withdraw from Happy Hearts Schoolhouse Program, you must follow our withdrawal process and turn in the appropriate forms. Failure to do so will jeopardize the possibility of returning to Happy Hearts Schoolhouse in the future. Our instructors are making a commitment for the entire semester, and you need to make the same commitment. Refunds are not given for the registration fee or for the remaining months of the semester. By enrolling in this program, you are reserving a spot that cannot be refilled once the semester begins, and you are committing to attend each week. **If you withdraw your student after classes begin, payment for the remainder of the semester will be due. This includes dropping to 1X a week if registered for 2X a week.** Supply fees are also not refundable. A drop fee is available if there arises a unique circumstance, such as an unexpected move or other special circumstance that cannot be avoided. The drop fee total will be determined by the director and will be available in case of special need.
- If weather conditions prevent us from meeting on any given class day, an email will be sent out by 8:00 am that morning. Please check your email before leaving your home when questionable weather conditions exist in our area. If notification can occur sooner, it will.
- Due to the limited student capacity of this program, if a question or a problem arises please contact Trudy Palmer happyheartsschoolhouse@gmail.com on Tuesday and Thursday between 10:00 am – 4:00 pm. If it is an emergency, please call or text (210) 364-5179.

Application and Enrollment Process

Family Application Fee: There is a one-time family application fee of \$75 for new families. The application fee is per family and not per student. The New Family Application Fee is non-refundable and does not guarantee your student's spot. After the application fee is paid and the application and waivers have been submitted, a family interview will be scheduled. After the interview, if we believe Happy Hearts is a good match for your family, we will let you know your student has been accepted into our program. The non-refundable registration fee and non-refundable supply fee will be due and after receiving payment, your student's spot will be secured.

Registration, Tuition, and Fees

Pre-Kinder – 5th Grade Program:

To reserve your child's spot for the 2024-2025 school year, the \$250 non-refundable registration fee for the first child (and \$150 for each subsequent child) must be paid in full at time of registration.

The first month's tuition (\$225 for 1X a week or \$400 for 2X a week) and the full-year supply fee (\$400 per child) will be due at the **Mandatory Parent Meeting** (Date: Thursday, August 1, 2024 from 10:00am – noon at Bulverde Baptist Church Education Bldg., 1331 Bulverde Rd, Bulverde, TX 78163).

If payment is not paid by August 31st, we will contact you, and if payment is still not made within 48 hours, we will have to replace your child's spot with another child's registration. ***The registration fee and the supply fee will not be refunded.***

Tuition payments are due on the 2nd of each month. We require ACH automatic drafts each month for tuition. If you choose to pay by check or cash, the entire semester's tuition must be paid in full before classes for that semester begin.

Please Note: You are required to make the same monthly payment each month regardless of the number of school days in that month or the number of days your child misses class due to illness or vacation. Your children are receiving an amazing and unique program at a reasonable price point because all families are splitting the costs involved in utilizing private tutors to teach foundational, core, and elective subjects in high-interest, hands-on ways.

Class Size and Grouping

We strive to meet children where they are, both academically and socially, and will place them in appropriate groups for our various activities based on our analysis and parental input rather than the traditional grade-level distinction dictated merely by their age. We want to instill confidence in these children and do not want to make them feel "behind" just because they might be at a different level than another child in their same age group. We strive to maintain a 1:10 instructor-student ratio with the additional regular presence of parental volunteers on both days.

Drop-Off & Pick-Up Procedures*

Drop-off for all grades will begin at 9:25 am on Tuesday and Thursday. Since we have limited time, we ask that the drop-off be done as quickly as possible, so if there is something you would like to address with one of the instructors, we ask that you wait until pick-up time or during one of the instructors' open-call times. Please be as prompt as possible when picking up your child.

Pick-up for all grades will begin at 2:25 pm.

Please make sure our instructors know your child is being picked-up.

Since our instructors do have teaching engagements elsewhere, they need to leave shortly after class, so we ask that all children are picked up by 2:35 pm. If an emergency arises, please make sure you have a back-up plan to pick up your child.

On the registration form, you will have space to write all the names of individuals who are allowed to pick up your child if you are not available to do so. Please make sure these adults bring their driver's license to show upon pick-up.

*We MUST ONLY USE the designated Circular Roundabout Drive near the playground area (as per the rules of the Bulverde Baptist Church) to avoid interfering with the pick up and drop off of the other children enrolled in the Mother's Day Out Program.

Visitors

We usually have an open-door policy. However, due to Covid-19 the past four years, we are not allowing parents to stay indoors for an extended amount of time. If parents do come to visit, a facemask may be required as per the policy of The Bulverde Baptist Church, and **indoor** visitation will be limited to 10-15 minutes. Parents will be allowed, at times, to watch or participate in any of our **outdoor** activities for a specified length of time as long as CDC guidelines, church rules, and social distancing is practiced. We ask parents to keep siblings, who are not part of the program, with them at all times and to allow the child who is part of the program space to be with his/her classmates. If a sibling is present and over the age of 10 years old, the sibling may need to wear a facemask, if requested, as per the policy of Bulverde Baptist Church.

If there are grandparents or other family members who would like to visit, pick-up, or drop-off children, please list them on the alternate pick-up line on the registration form and inform them that a facemask may be required on the premises.

Dress Code

Since we plan to be outside each class day, please make sure your child is dressed appropriately for the weather each day. Also, due to our exploration of the outdoors, please make sure to provide one extra change of clothes in case of wet or muddy clothes. We do recommend that your child wear closed-toe shoes (although we may end up barefoot some days), sunscreen, and bug repellent depending on the weather conditions for the day and the planned events for that week.

Health & Attendance/Covid-19 Waiver

We take extra precautions to make sure your children and our tutors stay as healthy and safe as possible. We will be washing hands regularly and before lunchtime. All families must be aware that a sudden resurgence of Covid-19 could occur, and a signed Covid Waiver may be requested.

We ask that if your child is sick, or otherwise seems unwell, please be respectful of the other families and instructors involved in this program and do not bring your child to class if your child has any one of the following symptoms:

- A runny nose or has recently started with a runny nose, or has discolored or cloudy nasal discharge
- A sore throat
- A fever within 24 hours of class
- A stomach bug or diarrhea or has vomited within the last 24 hours
- A "croup-sounding" cough

- “Flu-like” symptoms, or has had the flu and not been fever-free for 48 hours
- Lice - If a student has lice or has been exposed to lice, there must be a minimum of two treatments within one week and a minimum of 48 hours of being completely lice-free before returning to class. Please note that this is the minimum requirement, as a return to class will be determined by the director.
- If a child seems unwell anytime during the class time, the instructors will call the parents to come pick up their child. We will make sure the child receives all instructions to be able to complete any homework at home.
- If anyone in your family contracts Covid-19 during this program, your child must miss class and isolate until that person, or your child, has no fever for 24 hours (without taking fever-reducing medication) AND the symptoms are mild and improving (regardless of whether your child shows any symptoms of Covid-19 or not). Please check the current CDC guidelines for Covid instructions as they are constantly in flux.
- There will be **NO** refunds or prorating because of missed classes due to any type of sickness or personal trips. We are able to offer this group-tutoring program to your families at a much lower rate than you would pay in a one-on-one tutoring session with our tutors.
- Due to the uncertainty of the Covid variants, if your child shows any Covid symptoms after flying or being in an indoor, crowded area during our program, we ask that you have your child test and self-isolate, if necessary, before returning to class. For example, if your family flies back from a vacation on a Sunday, and if your child shows any symptoms, we ask you to skip Tuesday’s class while you monitor the situation, then your child may be cleared to return on Thursday if all appears well (if your child is registered for both days).

Assessments & Evaluations

Our instructors will be keeping parents aware of what they can specifically be working on through their child’s take-home work. We will not be giving typical grades but rather will be reporting on topics on which the child needs to be working. Children will be keeping various subject binders throughout the year, which will serve to organize the projects and activities they have completed.

Snack & Lunch

At various times, we will provide treats for the students if the ingredients do not pose an allergy threat to any of our students. We will also have lunchtime, so please pack accordingly, and any food is welcome as long as there are no food allergies within our group of students. We will notify the parents of our students if any food allergies do exist soon after our registration is complete. Please communicate with your children that they **will not** be able to share food with other children during this time. We will be watching to make sure children are not passing around their food or drinks, but it helps us to know that this extra instruction is being reiterated at home. Please send a clearly labeled drink bottle. It is best to send water for proper hydration.
